

Once upon a time in a village, that the people of the region called "El Frat", appeared some mysterious beings. It was said that they roamed the streets looking to such the blood of anyone they crossed ... It would mean that the Dips ... have returned to "El Frat"!

The dips have returned to "El Prat" keep your eyes wide open, hep us find them, they may be lurking arround the next corner if you see one, try to identify it an place it on the map Good luck and watch out!

Close to the wash house a Dip is keeping an eye on the soap bubbles

03

On the roof tops one counts the stones in the old walls separating the vegetable gardens

...and others snoozing on the medievel arches

os os

70 There is a place where 'mand the 'he'

other mytilical beings

But there is one more real, that you need to be wary off Find him first before he finds you or he will leave you petrified!
